KORE was founded at the end of 2015 in Saarbrücken.

The conventional four-man line-up committed themselves to melodic alternative rock affected by the influences of rockbands from the 90s till now.

The striking bass / guitar work and the voice of Alessandro Polizzi form the basis for songs that are created with a lot of passion and leave songs stuck in your heads.

Alessandro Polizzi - vocals
Jürgen Hubert - Guitar
Felix Klein - Bass
Dirk Nilles - drums
